Closure	Technical Cork
Vinification	Conventional red vinification with prolonged maceration post-fermentation. Malolactic fermentation is followed by barrel ageing.
Ageing	12 months of maturation in French barrels.

Description

In Brief This oaked dry red is carefully crafted from Cabernet Sauvignon and Merlot with a small percentage of Agiorgitiko. Serve it cellar cool at 18°C or keep for several years.

Tasting notes The colour is deep purple to blackish red. The nose is inviting and offers attractive aromas of ripe red fruits, blackcurrant and sweet chocolate, all interwoven with hints of vanilla, cedar and spice. In the mouth, the wine is expansive with a backbone of velvety tannins that give it a persistent finish and great ageing ability.

Food Pairing Pairs well with red meats and barbecued meat, hearty oven roasts, cold deli cuts and soft cheeses.
