Description

In Brief	Diamond Collection wines are made from grapes grown across California, and are carefully combined to create wines perfect for all occasions – including those special just because ones.
----------	--

Tasting notes	Delightful notes of black cherry, peppercorn, and blackberry on the nose. Concentrated flavors of black and blue fruits, spices – clove, anise and vanilla, and tobacco fill out the opulent body and long finish. Engaging and fruity, this wine is full-bodied and intense, with supple tannins and sophisticated character with a long finish.
---------------	---

Food Pairing	Pairs well with ribeye steak and portobello mushrooms.
