Description

In Brief

Catena Alta is an assemblage of historic rows within the Catena family State vineyards. The blend of these historic rows, like the combination of sounds that create a symphony, gives us highly aromatic and elegant wine that speaks for the terroir and the vines that have been tended by the four generations of the Catena Family. "Alta" means high in Spanish. This makes reference to the high-altitude vineyards (between 1120 m and 1450 m above sea level) from where the grapes are sourced, and to the high-end wines that are produced with these special grapes.

Tasting notes

A deep yellow colour with green hues. Intense on the nose with notes of ripe peaches, citrus fruits and orange blossom. Round and fresh in the mouth with a hint of minerality. Long, complex and crisp finish.

Food Pairing

Rich seafood risotto, roasted chicken dishes and riper cheeses.
