Description

In Brief

The Catena wines are a special assemblage of High Mountain Estate Vineyards made by fourth generation vintner, Laura Catena and chief winemaker, Alejandro Vigil. Through decades of study and exploration within Mendoza's high altitude mountain terroirs, the Catena family has identified special locations for its Estate vineyards. From the marriage of these historic vineyards emerges a wine of unique character that has natural balance, concentration and a distinct varietal identity. This is a wine that can age 10-20 years.

Tasting notes

Light, lemon yellow colour with green hues. Fresh and fruity on the nose, with notes of lemon, grapefruit, pineapple and white flowers with accents of vanilla and honey. Complex on the palate with good balance and fresh acidity, enhanced by strong minerality. A long and fresh finish.

Food Pairing

Rich seafood risotto, roasted chicken dishes and riper cheeses.
