Description

In Brief

The Bach winery has very long tradition of winemaking, with a history that goes back to 1915. However, it was not until the Universal Exhibition in Barcelona in 1929 that the first bottles were launched. Many years have passed since then, but the winery remains steadfast in its faithful adherence to the original spirit of the winery: quality, originality and personality in all of the wines and cavas that it makes.

Tasting notes

A pale straw yellow colour. Fine bubbles well integrated in the wine. Primary varietal aromas (apple, citrus fruit, almond blossom) overlain with aromas from aging, such as honey, toasted bread, etc. Fine bubbles and balanced acidity on the palate.

Food Pairing

It makes an ideal aperitif or accompaniment to tapas.
