

Chardonnay Arroyo Vista

J. LOHR
VINEYARDS & WINES

Origin

Country	USA
Wine Region	California State, Paso Robles
Winery	J. Lohr

Technical Data

Grape Varieties	Chardonnay
Type	Dry white wine
Bottle Sizes Available	750 ml
Closure	Technical cork

Vinification Hand-harvested early morning, whole cluster pressed and cold settled. The juice is then fermented in barrels, followed by complete malolactic fermentation.

Ageing 14 months in French oak barrels (45% new) on the fine lees.

Awards and Certificates

The Certified California Sustainable Winegrowing logo attests that at least 85% of the grapes were grown on a certified sustainable vineyard and that the wine was produced in a certified sustainable winery.

Description

In Brief J. Lohr wines are among the favorite Californian wines of Americans. They are excellent value for money and made with food pairing in mind.

Tasting notes Pale yellow in color. Intriguing aromas of paperwhites, lemon, ripe apple, white peach, brioche, and crème brûlée. The rich palate texture is derived from the use of classic, Burgundian techniques, such as primary and malolactic fermentation in French oak barrels and weekly stirring of the lees during aging.

Food Pairing Perfect with brie cheese, creamy mushroom polenta, chicken with dijon mustard sauce, lobster or crab with lemon butter.
