Vinification	After fermentation the wine has enough acidity to undergo malolactic fermentation, which gives it a beautifully rich, slightly buttery character.
--------------	---

Ageing	8 months in French oak barrels.
--------	---------------------------------

Description

In Brief	Diamond Collection wines are made from grapes grown across California and are carefully combined to create wines perfect for all occasions – including those special just because ones. Chardonnay is a highly impressionable grape that reflects its terroir. Diamond Collection Appellation Series Sonoma County Chardonnay expresses distinct fragrances and flavors derived from cool climate vineyards.
----------	--

Tasting notes	A rich, creamy texture, lush fruit impressions, and an impeccable balance. Enticing aromas of yellow apple, tropical fruits, and butterscotch on the nose are followed with supple flavors of vanilla and apricot, creating a silky, integrated sweetness. Subtle buttery notes lead to a lingering, long finish with a nice and consistent round structure.
---------------	--

Food Pairing	Perfect with grilled chicken with lemon, grilled salmon, tomato salsa or roast chicken breast stuffed with spinach and feta cheese.
