Description

In Brief	Chateau Mont-Perat is located in the village of Capian, a hillside vineyard composed of 4 hemispherical mounts with steep slopes. Deep soils of sand, rich clay, gravel veins and limestone subsoils create a fascinating terroir.
Tasting notes	Beautiful ruby red colour. Notes of red fruits and floral touches. Ripe and pure fruit. A roundness in the mouth with a nice thickness and a full, caressing finish.
Food Pairing	Pairs well with grilled beef, ripe cheeses, red meats.
