Closure	Technical cork
Vinification	Fermentation of whole, uncrushed berries for about 4 weeks. Strict temperature control.
Ageing	In French oak barrels for 11 months.

Awards and certificates

Organic wine.

Description

In Brief Chiflik Livadi is a farm of polycultures in which various animals are raised in a sustainable way on pastures. Their motto is, "Living soil, clean food." This philosophy is also transferred in the vineyards where the most modern techniques for creating organic wines are applied, preserving the authenticity and character of the grapes and the terroir. This includes the cultivation of cover crops and even the planting of particular tree species in the vineyards.

Tasting notes Deep ruby red colour. Dominant notes of red and black fruits, beautifully highlighted by aromas of chocolate and spices. Rounded on the palate, with soft, velvety tannins and a pleasant freshness.

Food Pairing Excellent in combination with a variety of dishes - cured meats and medium-ripe cheeses, casseroles and barbecue.
