

Coto de Caleruega Crianza

Origin

Country	Spain
Wine Region	Ribera del Duero
Winery	Coto de Caleruega

Technical Data

Grape Varieties	Tempranillo, Malbec
Type	Dry red wine
Bottle Sizes Available	750 ml
Closure	Technical cork
Vinification	Low-temperature macerations with careful control throughout fermentation, to preserve aromas of red and black fruit. Fermentation, including malolactic, takes place entirely in small-capacity stainless steel tanks.
Ageing	12 months in 225-litre French oak barrels.

Description

In Brief	The vineyards are located in the high-altitude sites around Caleruega, Banos de Valdearados, Penaranda de Duero and Zayas de Bascones. The Malbec adds freshness and roundness to the balance and complexity of the Tempranillo.
Tasting notes	Aromas of ripe red and black fruit with a hint of liquorice typical of Tempranillo, and a subtle Malbec character that refines the tannins. Ageing in French oak adds complexity - a smooth and elegant wine.
Food Pairing	Aged cheeses, grilled red meat, stews and roasted dishes.

Notes
