

Double Barrel Reserve

Nederburg
EST. 1791

Origin

Country	South Africa
Wine Region	Western Cape
Winery	Nederburg

Technical Data

Grape Varieties	Cabernet Sauvignon, Merlot, Cabernet Franc, Petit Verdot, Malbec
Type	Dry red wine
Bottle Sizes Available	750 ml
Closure	Technical cork

Vinification

Each variety was individually handled and vinified: fermented on the skins in temperature-controlled stainless steel tanks at 25-28°C for around 14 days, then drained from the skins and pressed.

Ageing

Each component was independently matured in French oak for 14 months, then a portion of the blend was returned to barrel for a further 3 months for added fullness and roundness.

Description

In Brief

A Bordeaux-style blend led by Cabernet Sauvignon, from selected vineyards in Paarl, Stellenbosch and Philadelphia. The different microclimates and soil types of each vineyard add to the complexity of the wine.

Tasting notes

Bold and forthright on the palate, with a solid, muscular structure. Rich, ripe fruit - blueberry, blackberry and juicy cherries - balances the power of the tannins, while dried herbs, cocoa and vibrant spice add depth to the long finish.

Food Pairing

Pork neck steaks in a mustard and cumin-studded creamy sauce, or a Middle-Eastern lamb tagine.

Notes
