Description

In Brief On the clay-limestone semi-hillsides of western Languedoc, Syrah flourishes on soils favourable to obtaining its optimum maturity.

Tasting notes The colour is deep purple with intense purplish reflections. The nose mixes fresh red and black fruits with spicy notes of cinnamon and liquorice. The mouth, supple and structured, benefits from pretty coated tannins elegantly married to the aromatic already perceived on the nose: fruits, spices and liquorice persistence.

Food Pairing Syrah Elegance goes perfectly with exotic dishes, but also braised ham, free-range chicken and all your grills. Serve at 16 - 18°C.
