Ageing	In stainless steel tanks.
--------	---------------------------

Description

In Brief	A pioneering blend of two indigenous grape varieties, Malagousia and Assyrtiko from the heart of Greece. The Gerovassiliou family revived the Malagousia variety, and thanks to their efforts, it is now one of the most promising white varieties in the country. Their winery is a must-stop if you are visiting Thessaloniki.
----------	--

Tasting notes	Bright blond in colour with greenish shades, it has a distinctive nose with impressions of exotic fruit and notes of green pepper, jasmine, orange, melon and lemon. First contact with the palate exudes refinement, characterised overall by richness, harmony, a pleasant vitality and a lemony finish.
---------------	--

Food Pairing	Fresh shellfish, white meat with light sauces, pasta dishes, Greek salad (tomato and feta cheese), Mediterranean and Asian cuisine. Enjoy it fresh during its youth served at 8–10°C.
