Description

In Brief This wine is produced from Xinomavro, a charismatic but demanding Greek grape variety from Macedonia, which has adapted perfectly to the microclimate of Epanomi in Northern Greece.

Tasting notes A pale pink-salmon colour. Aromas of citrus fruits (pink grapefruit), berries, cherries and strawberries. On the palate: rich and well-structured with good acidity and an aromatic finish of sour cherries.

Food Pairing Lobster pasta, shrimp saganaki with tomato, minced meat pasta, stews, summer Mediterranean flavours and exotic cuisines.
