

Maryan Reserve

Origin

Country	Bulgaria
Wine Region	Wine without a PGI or PDO
Winery	Maryan Winery

Technical Data

Grape Varieties	Cabernet Sauvignon, Cabernet Franc, Merlot
Type	Dry red wine
Bottle Sizes Available	750 ml
Closure	Technical cork

Vinification	24 hours of cold maceration. About 30% of the juice are taken out to make rose, this concentrates the colour and aromas. 7 days of alcoholic fermentation carried out in a stainless steel tank. Every three hours during fermentation, the wine is pumped over, breaking the cap. Full malolactic fermentation is carried out in oak barrels before ageing.
--------------	--

Ageing	24 months in oak barrels of 225 liters.
--------	---

Awards and Certificates	2012 – wine number 1 in DiVino top 50, 2014. 2013 – number 7 in DiVino top 50, 2015. 2013 - Decanter - Bronze Medal 2016.
-------------------------	---

Description

In Brief	This is the flagship wine of Maryan awarded many accolades, including Best wine of Bulgaria for the 2012 vintage in 2014. After 2 years of aging in barriques, this blend is a superb meditative wine.
----------	--

Tasting notes	Deep, opaque ruby colour with a garnet rim. An amazing richness of aromas - floral violet perfume tones, followed by black dried fruits - sour cherry, chokeberry and blackcurrant, accompanied by slightly smoky caramel. The taste is smooth, soft, juicy, fresh, strong, concentrated and spicy. The finish is dominated by cherry freshness and a sense of perfectly integrated oak.
---------------	--

Food Pairing	Red meats, game, soft cheeses, desserts with dark chocolate.
