Description

In Brief

Meursault is certainly one of the oldest villages in Burgundy. Different types of soil are found: deep and colourful around the village, clearer and lighter at mid-slope and nearly white and very rocky in the upper reaches of the appellation.

Tasting notes

A refined wine, well appreciated in the whole world. A beautiful golden colour and a great aromatic palette: honey, linden flower, hazelnut butter, sometimes even chamomile or hawthorn. On the palate, a silky roundness. Long on the aftertaste, with flavours of yellow plum and gingerbread.

Food Pairing

Excellent as an aperitif or paired with oysters or other seafood, goat cheese, smoked trout, pork tenderloin or sushi.
