Description

In Brief	Ovilos Red is a pure Cabernet Sauvignon made from the first vineyard block of Ktima Biblia Chora that got planted at the foot of the Pangeon Hills. Enjoy the wine now, served at 16-18°C, or keep cellared for up to 15-20 years.
Tasting notes	A deep ruby red colour. The bouquet opens up with intriguing smells of ripe fruit, cassis, cedar wood, violet flowers and tobacco leaf. The palate is well-balanced with an abundance of flavours of black cherries and raspberry jam, all entwined with a touch of sweet chocolate and acute tannins for longevity.
Food Pairing	Excellent as a wine on its own but also perfect with veal cuts, spit-roasted lamb or goat, venison and other game, and truffle recipes.
