Description

In Brief

La Reserve Nature owes its incredible complexity to a lengthy ageing in 18-meter deep chalk cellars. The absence of dosage highlights the excellence of the great terroirs of the Montagne de Reims in a sensational aromatic profile. A champagne of remarkable balance and great purity.

Tasting notes

Complex, precise and pure. Beautiful mineral tension underpinned by notes of citrus fruits, chalk and candied lemon, followed by delicate roasted notes. Persistent and saline finish.

Food Pairing

Excellent as an aperitif. Ideal with oysters, seafood, sushi and fresh goat cheese.
