Type	Dry red wine
Bottle Sizes Available	750 ml
Closure	Technical cork
Vinification	Information is not provided by the winery.
Ageing	7 months in oak barrels (30% French oak and 70% neutral oak)

Description

In Brief

Grown in an appellation that represents the only place in North America where the coastal mountain range transitions from full north-south orientation to full east-west. Morning fog prolongs the growing season and helps the fruit maintain a strong level of natural acidity and rich concentration. Our Santa Barbara Pinot Noir offers great finesse with its layered, silky texture and profuse aromatics.

Tasting notes

Bold, with a masculine structure. Rich aromas of black fruit and grilled almonds combine with notes of dried flowers. Dense, warm flavors of spiced apple pie, fruit leather, and savory oak carry through to a spectacular finish.

Food Pairing

Pairs well with rack of lamb, roasted chicken and mushroom risotto.
