

Prosecco Rose Brut Millesimato Argeo DOC

Origin

Country	Italy
Wine Region	Veneto, Treviso
Winery	Ruggeri

Technical Data

Grape Varieties	Glera (max. 85%), Pinot Noir (max. 15%)
Type	Sparkling rose wine, Brut Millesimato*
Bottle Sizes Available	200 ml, 750 ml
Closure	Technical cork

Vinification	The Glera grape is vinified off the skins at a temperature of 18 °C. The Pinot Noir is vinified at a temperature of 25 °C, in contact with the skins for about 4 -5 days. Slow fermentation in large closed containers at 14 -15 °C is followed by contact with the fine lees for a minimum of 2 months. Bottle pressure: 5.5 atm. Residual sugar: 9 g/l.
--------------	---

Ageing	In large sealed vats and then in bottle for a short period of time.
--------	---

Description

In Brief	This is the first Rose with the word "Prosecco" allowed to be on the label. Thanks to the joint efforts of several producers, including the Ruggeri team, the legislation of the region was finally changed to allow the production of rose wines.
----------	--

*This is a Millesimato Prosecco, which means that the wine is produced with a minimum 85% of grapes from the vintage provided on the back label.

Tasting notes	The wine has a soft pink colour reminiscent of peach flowers. Abundant foam and lively, fine perlage. On the nose the typical aromatic notes of the Glera grape are enriched with very delicate and fresh scents of brambly fruits, such as redcurrant and raspberry. The bouquet of white flowers and berry fruit is finally enveloped by a very pleasant balsamic note of fresh rosemary leaves. On the palate every sip is bursting with life, with the very pleasant freshness, flavour and full-bodied structure of Pinot Noir. The finish is long and complex and perfectly matches the aromas. Harmonious and elegant, with a long and silky finish.
---------------	---

Food Pairing	Perfect as an aperitif with nibbles. Ideal with light pasta dishes with pesto or mushroom based sauces. Try with beetroot carpaccio or a light salad of cherry tomatoes, fresh herbs and avocado. Delicious with dessert such as fresh strawberries. Serving temperature: 5 - 7 °C. Open immediately before serving.
