Ageing	In the bottle.

Description

In Brief	Grapes from the hills of Valdobbiadene-Conegliano. Harvested in September. A great prosecco from the Extra Brut category.
----------	---

Tasting notes	Straw-yellow colour with pale green highlights and soft, compact froth supported by an exuberant, subtle perlage. Floral bouquet giving way to hints of green apple and Williams pear. Dry on the palate with a long, decisive finale.
---------------	--

Food Pairing	Ideal as an aperitif and throughout the meal. Particularly well suited to fish-based dishes, delicate vegetable dishes and white meats. Simply wonderful with tempura.
