Description

In Brief

Deep underground in the hillside above Stellenbosch sits a secret wine cellar. Inspired by the historic cellars of France and Germany, this location harnesses nature's natural cooling elements and keeps its exclusive wines at a constant temperature, even in the fiercest African summers. Hidden away, this charming cellar is still used to store wine.

Tasting notes

Straw-yellow colour. Delicate floral and fresh apricot notes followed by delicious white peach and citrus fruit flavours on the palate.

Food Pairing

Ideal with cheese appetizers, white meat and roasted fish.
