Type	Dry white wine
Bottle Sizes Available	750 ml
Closure	Technical cork
Vinification	Delicate pressing. Fermentation at a controlled temperature of approximately 18°C in stainless steel tanks.
Ageing	In stainless steel tanks.

Description

In Brief

Terre Forti Pinot Grigio delle Venezie DOC is sourced from selected vineyards across Veneto, Trentino, and Friuli Venezia Giulia – one of the most suitable areas in Northern Italy for this variety. The moraine soils and temperate climate give the grape variety its unique characteristics, resulting in a fresh, elegant wine that faithfully represents the tradition of the territory.

Tasting notes

On the nose: crystalline clarity with an elegant bouquet of green apple, white peach, and subtle floral notes. On the palate: fresh and harmonious, with a pleasant balance between lively acidity and softness. The finish is clean, with a pleasant mineral note typical of the territory.

Food Pairing

A versatile companion to light appetizers, delicate fish dishes, pasta with light sauces, and white meats. Also an excellent aperitif.
