Bottle Sizes Available	750 ml
Closure	Natural cork
Vinification	Cold maceration and temperature-controlled fermentation, each variety in its own vessel.
Ageing	18 months in 21% new French barriques, the balance in older French oak.

Description

In Brief

The Caley is named in honour of Fred Caley Smith (1864-1913), one of the Hill-Smith family's most adventurous sons. A classic marriage of Coonawarra Cabernet Sauvignon and Barossa Shiraz - two noble varieties and two great Australian wine regions.

Tasting notes

Very deep and dense red in colour. A stunningly inviting perfume of blackcurrants, rose petals, iodine, violets, fine spices, dried herbs and cedary tones. On the palate: a long, silken and seamless finish with a fine, powdery tannin profile.

Food Pairing

The Caley takes time to reveal its true character - enjoyable on release, it will live on for decades in the cellar.
