Vinification

Hand- and machine-harvested grapes fermented in stainless steel at 15-16°C for two to three weeks. A portion of the wine was transferred to French oak barrels to complete fermentation and mature on the lees; another portion remained unwooded.

Ageing

Around 8 months on the lees in French oak; 10% of the blend remained unwooded.

Description

In Brief

The grapes come from top-performing vineyards in Philadelphia and Stellenbosch, planted in granite and sandstone soils that give the wine natural acidity and freshness.

Tasting notes

Vibrant aromas of lemon and nectarine, complemented by honeyed richness and lively citrus charm. On the palate: fresh, silky and beautifully balanced.

Food Pairing

Thai and Asian-inspired dishes, smoked salmon, grilled fish, creamy pastas, savoury tarts and quiches.
