Description

In Brief

The story of the founder of the winery is as long as it is colorful. One of California's first sheriffs, Agoston Haraszthy was elected the Sheriff of San Diego County in 1850. He built the first jail and served two exciting years before moving north to pursue "purple gold" and the perfect terroir for fine wines. He found it in Sonoma County where he established Buena Vista Winery in 1857. It is this legacy that inspired this wine and the work of sheriffs everywhere that we honor with its release. The grapes are harvested from vineyards across California, including a little from the Russian River Valley which adds a nice complexity to the wine.

Tasting notes

A dark purple in color, this Zinfandel opens with cherry aromas layered with anise and apricot. Juicy fruit flavors of raspberry and blackberry are complemented by notes of spice and licorice. Medium-bodied with balanced acidity, the mid-palate has a good texture which leads to a long finish.

Food Pairing

Barbeque and good friends.
